

Las Cruces, NM – On Sunday, Harry Teague will attend the official homecoming for the 920<sup>th</sup> Engineering Company of the Army National Guard. The company, based out of Roswell comprised of members from throughout New Mexico, is returning from nearly a year long tour in Afghanistan.

While deployed in Afghanistan members of the 920<sup>th</sup> Engineering Company worked to improve and strengthen the infrastructure of Afghanistan. After a post deployment processing, approximately 170 members of the Company will return to Roswell. Since their deployment to Afghanistan, Congressman Teague has worn a yellow ribbon on his lapel to express his hopes for success in their endeavors and their safe and speedy return home.
